

## DYNAMIC ENVELOPMENTS

### IN THE VICHY SHOWER

Dynamic Envelopments, or body masks, begin with the application of nutrient-rich clays and creams. The mask is then removed under the warm, cascading waters of the [Vichy shower](#). A rinse of algae and minerals leaves the skin renewed and refreshed.

#### Violet Clay Envelopment

This vibrant clay increases hydration and adds moisture to your skin. The healing properties of this luxurious clay will leave your skin soft and silky as it stimulates energy flow.

25 min. - \$80

#### Marine Body Peel

Dry body brushing is followed by an application of tiny non-abrasive granules of jojoba wax pearls to aid in the removal of dry skin cells. Your skin will be renewed and revitalized.

25 min. - \$75

#### Envelopment From The Sea

Algae-based cream masks are tailored to your body's skin type. Your body will be massaged with long strokes to ensure a more complete absorption of the mask.

25 min. - \$75

#### Envelopment From The Earth

One of the clay masks, each with a different therapeutic benefit, will be chosen to complement your natural core energy and bring balance to your body. 25 min. - \$75

#### Balinese Boreh Envelopment

Boreh, a blend of tropical essences in this traditional and spicy body mask, stimulates circulation and invigorates muscles. You will experience deep relaxation from this wholly natural treatment.

5 min. - \$75

#### Balinese Lulur Envelopment

Lulur, a mixture of plant extracts originating from Indonesia, is used to exfoliate and renew the skin to soften and sweeten the body.

25 min. - \$75

### IN THE SPA SUITE

#### Purifying Cedar Treatment

The body is first cleansed with a specialized body shampoo, personalized by your element type, followed with an application of our signature Purifying Cedar Scrub, stimulating blood flow and exfoliating the body. After rinsing the scrub from the body, a finishing body milk is applied, leaving the skin refreshed and renewed.

50 min. - \$90

#### Wild Chamomile and Lavender Body Masque

This signature service begins with a light loofah exfoliation of the body, followed with the application of our signature body masque using wild chamomile and lavender, grown and harvested from our own Osthoff Gardens. The soothing benefits of these indigenous herbs leave your skin refreshed, soft and supple.
